

Brewster Recreation Football skills & drills program Guidelines

November 3rd, 2020

Dates & Times: December 1st – 15th, 2:15-3:15pm at Town Hall

To help preserve the health of our participants and prevent the spread of Covid-19 we are instituting the following guidelines which are effective until further notice. These guidelines may be amended dependent upon how the virus situation evolves and any future recommendations from any governing authority such as the Commonwealth of Massachusetts and the Brewster Board of Health.

Do not play if you are exhibiting any symptoms of the coronavirus (mild to severe respiratory illness with fever, coughing, difficulty breathing, or other symptoms identified by the CDC) or have been in contact with someone with COVID-19 within the last fourteen days.

Participants must maintain proper social distancing (six feet) from other participants whenever possible.

There will be a max of 10 participants, grades 3-5.

Participants are encouraged to leave their personal items in their cars and bring and use hand sanitizer and water. No fountains will be available.

Participants will report straight to the field, outside. If it rains, the program will be cancelled.

There will be no equipment sharing. Each participant will have their own equipment provided by Rec.

All equipment will be disinfected before and after each time it is used.

Face coverings are mandatory. Mask/hand sanitizer breaks will be given if needed.

In addition to all covid-19 guidelines, Brewster Recreation rules also apply. **STAY SAFE!**

Follow all guidelines set forth from the CDC, State of Massachusetts, and the Town of Brewster.

There are no bathrooms on the premises. Please plan accordingly.
