

# Brewster Recreation Youth Tennis Clinic Guidelines

June 4<sup>th</sup>, 2020

**Dates & Times:** June 29<sup>th</sup> through August 14<sup>th</sup>  
Monday – Friday 9-10am & 10:15-11:30am  
Stony Brook Elementary Courts

To help preserve the health of our participants and prevent the spread of Covid-19 we are instituting the following guidelines which are effective until further notice. These guidelines may be amended dependent upon how the virus situation evolves and any future recommendations from any governing authority such as the Commonwealth of Massachusetts and the Brewster Board of Health.

Because our Youth Tennis program is an organized clinic, it is not eligible to open until Phase Two of the re-opening process.

**Do not** play if you are exhibiting any symptoms of the coronavirus (mild to severe respiratory illness with fever, coughing, difficulty breathing, or other symptoms identified by the CDC) or have been in contact with someone with COVID-19 within the last fourteen days.

Players must maintain proper social distancing (six feet) from other players. Instructors will have designated spots for kids when they arrive to assure this. This will also be the case during down time, and when they are giving instructions.

Because children have a hard time keeping distance, we encourage them to use a mask and/or gloves if appropriate.

Players are encouraged to leave their personal items in their cars and bring and use hand sanitizer. Water is allowed, but should be labeled and used only by that child.

Entry gates will be left open (do not touch) and only 10 children will be allowed in each clinic.

If a child needs to borrow a racquet it will be cleaned and disinfected before and after each use. They will be required to use that same racquet all week.

All equipment that is used during the day will be disinfected at the end of the clinics, as well as the next morning, before the next day's clinics.

There will be no sharing of equipment.

*There will be porta-johns on site. Please follow sanitation rules for those as well.*
